

Anytime you submit your insurance card to a provider, Print this page and present it with your card.

FACILITY & PHYSICIAN DIRECTION TO USE IN-NETWORK PROVIDERS

As Admitting Facility, Hospital, Attending Physician or Physician in charge for this patient, you are hereby directed, when ordering procedures, tests or lab work, and are instructed to take all means possible to ensure that any anesthesiology, radiology, diagnostic testing and laboratory services be performed by an in-network provider participating within the Horizon BCBS "Bluecard" Network of providers.
